

OIBSIP Submission & Compliance Checklist

Internship Guidelines, Evaluation Criteria & Verification Steps

1. Mandatory Onboarding & Setup Compliance

- **Repository Naming:** Maintained under exact repository naming convention (`OIBSIP`).
- **Directory Isolation:** Tasks successfully partitioned into distinct subdirectories with localized `README.md` and `package.json` files.
- **License & Git Ignore:** Configured with MIT License and robust `.gitignore` rules for Next.js build artifacts.

2. Demonstration & Evaluation Standards

- **Video Walkthroughs:** Screen-recorded demonstrations featuring a static 2-second title card showing Full Name, Track, and Task Title.
- **LinkedIn Networking:** Milestone updates shared professionally with the hashtag `#oasisinfobyte` and tagging Oasis Infobyte.
- **Peer Review:** Substantive engagement and comments on peer cohort demonstration videos.
